You can't be a choir of  
one.....

Or

How to write the songs that  
you want others to sing

What is the melody?

The Melody is....

Academic Achievement!

Student Achievement is the bottom line.

Alaska

Colorado

Pennsylvania

Texas

# And the Research Says

- Schools with quality library programs score higher on standardized tests.
- Schools with quality library collections that match the curriculum have higher achieving students.
- Schools with highly trained LMS have higher test scores .

What are the notes?

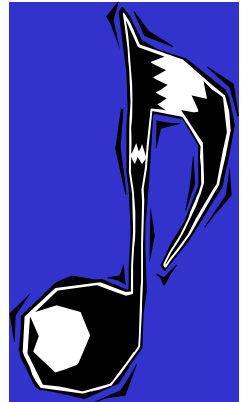

# Information Power provides the notes

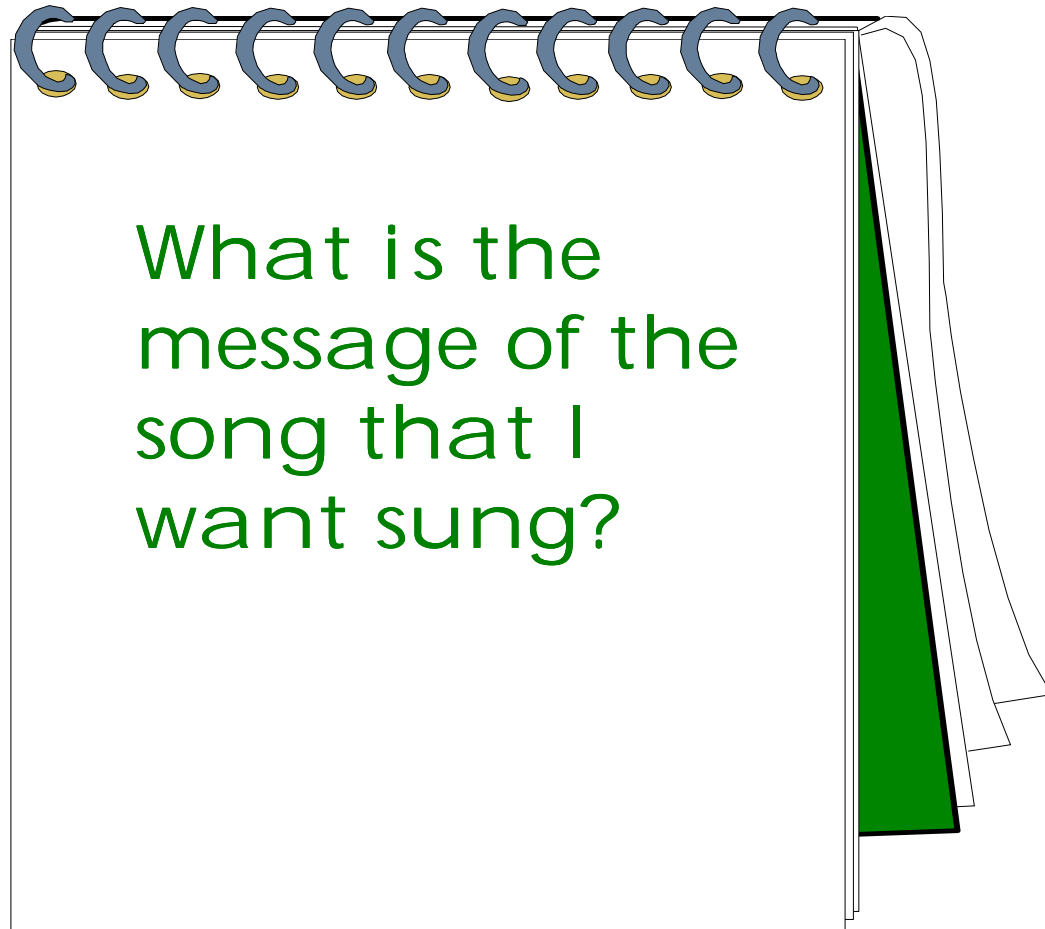

- Teaching and Learning

- Information Access and Delivery

- Program Administration

# What are the words?

# Partnerships

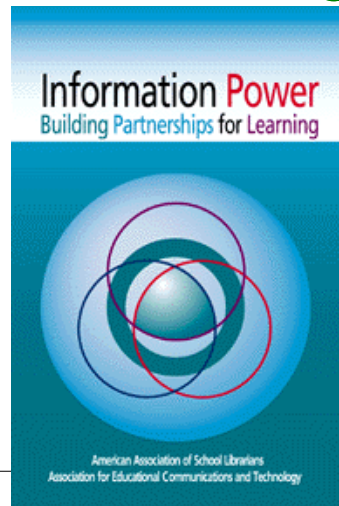

# SOL Support

# Technology Integration

# Information Literacy

# What instruments will accompany you?
